but this is a command not a logistical question.

c. Sufficient fields for TBF exist in NAPLES Area. They can be supplied and supported there.

d. Three Heavy Bombardment Groups can be supported in Sardinia, replacing the three Medium Groups at the end of November. (Note: It is assumed that mission of B-26 Groups in Sardinia requires operation for 30-days.)

5. Recommendations (From logistical viewpoint only):

a. Three Heavy Groups from sources outside this theater be sent to the Heel Area upon arrival.

b. Three Heavy Groups from North Africa be sent to Sardinia on or about 30 November.

c. Three Heavy Groups from sources outside North Africa be sent to Foggia Area in December.

d. The three remaining Heavy Groups in North Africa be sent to Foggia Area or split between Foggia and Heel Area in December.

e. The Heavy Groups scheduled for Italy, three in each of the months, January, February and March can be accommodated in the Foggia and Heel Areas.

Note 1. - When mention is made of the Heavy Bomb Groups, the long range Fighter Groups are considered, for the purpose of this paper, to be a complement thereof and are included in the estimates.

Note 2. - See overlays attached for location of airdromes.
